In furtherance and not in limitation of the powers conferred by the statute the Board of Directors are expressly authorized as follows:

To hold their meetings, and to have one or more offices, and to keep the books of the company, within or without the Territory of New Mexico, at such places as may be from time to time designated by them, but the company shall always keep at its registered office in the Territory of New Mexico a transfer book in which the transfers of stock can be made, entered and registered, and also a book containing the names and addresses of the stockholders and the number of shares of stock held by them respectively which shall be at all times open to the inspection of the registered stockholders in person.

Generally said Board of Directors or said Executive Committee shall manage the business and affairs of said corporation and designate the officer or officers who shall have power to enter into and execute any contract or obligation on behalf of the said corporation as may be deemed necessary.

Eighth—The company may use and apply its surplus earnings or accumu-

lated profits to the purchase or acquisition of property and to the purchase or acquisition of its own capital stock from time to time, to such extent and in such manner as upon such terms as its Board of Directors shall determine and neither the property nor the capital stock so purchased and acquired nor any other capital stock taken in payment or satisfaction of any debt due to the company shall be regarded as profits for the purpose of declaration or payment of dividends unless otherwise determined by a majority of the Board of Directors.

Four Facts For Sick Women To Consider

Lydia E. Pinkham's Vegetable Compound Has an Unequalled Record of Cures—Mrs. Pinkham's Advice Is Confidential, Free, and Always Helpful

First.—That almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful menstruation, leucorrhoea, displacements of the uterus, pain in the side, burning sensation in the stomach, bearing-down pains, nervousness, dizziness and sleeplessness.

Second.—The medicine that holds the record for the largest number of absolute cures of female ills is Lydia E. Pinkham's Vegetable Compound. It regulates, strengthens and cures diseases of the female organism as nothing else can.

For thirty years it has been helping women to be strong, curing backache, nervousness, kidney troubles, all uterine and ovarian inflammation, weakness and displacements, regulating menstruation perfectly and overcoming its pains. It has also proved itself invaluable in preparing for childbirth and a change of life.

Third.—The great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

Fourth.—Every ailing woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Standing Invitation to Women.—Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. From symptoms given, your trouble may be located and the quickest and surest way of recovery advised. Out of the vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Surely, any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.

Accept no substitute as they are often dangerous and uncertain. Sold by all druggists.

WOMEN AND WOMEN. Use Big 44 for unnatural discharges, leukorrhea, irritations or ulcerations of the vagina, or for any other ailment of the female system. Sold by Druggists, or sent in plain wrapper, \$1.00, or 50¢ in bottles of 25¢. Circular sent on request.

Nasal Catarrh quickly yields to treatment by Ely's Cream Balm, which is agreeably aromatic. It is received through the nostrils, cleanses and heals the whole surface over which it diffuses itself. Druggists sell the 50c. size; Trial size by mail, 10 cents. Test it and you are sure to continue the treatment.

Announcement. To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. THE DINING CAR SERVICE

(From the California Limited Log Book)

It is peculiar that all of us should compliment the Harvey System, and yet we do. It's a habit, and we can't help it. I am really ashamed to say anything further, but I can't abstain. The dining car service on the California Limited is too good to be true.
